

Due wildfire activity, several areas, campgrounds, roads and trails on the Lochsa and Powell Ranger Districts have closed. Public safety concerns have prompted the restrictions. Contact the Lochsa Ranger Station at (208) 926-4274 for more information and updates.

LOLO MOTORWAY: Forest Service Road 500

Road #	Road Description	Status	Date Posted	Condition
500	Lolo Motorway	PARTIALLY OPEN	09/04/15	The eastern half of the Lolo Motorway is open from Powell to the junction with Sherman Creek Trail #203. The remainder of Road 500 is closed due to wildfire activity. Motorists traveling on other parts of Road 500 should bring chain saws and be prepared to remove fallen trees from the roadway. Call the Powell Ranger Station, (208) 942-3113 for updates.
560	Liz Butte	CLOSED	09/04/15	Liz Butte Road 560 has closed due to wildfire activity in the area. Contact the Lochsa Ranger Station, (208) 926-4274 for updates.
569	Parachute Hill	OPEN	09/04/15	Road 569 is open. The road is snow-free, and it's been brushed out. Be sure to contact the Powell Ranger Station, (208) 942-3113 for updates.
107	Saddle Camp	OPEN	09/04/15	Road 107 is open from its junction with US Highway 12 to Road 500, the Lolo Motorway. Be sure to contact the Powell Ranger Station, (208) 942-3113 for updates.
101	Smith Creek	CLOSED	09/04/15	Smith Creek Road 101, from its junction with Highway 12, Syringa, to its terminus near Mex Mountain, has closed due to wildfire activity in the area. Contact the Lochsa Ranger Station, (208) 926-4274 for updates.
100	Lolo Breaks (Musselshell)	PARTIALLY OPEN <i>Proceed with care!</i>	09/04/15	Road 100 is open from its junction with Highway 12, Kamiah, to the Clearwater National Forest boundary near Pheasant Camp. The remainder of the road is closed due to the Motorway Complex Fire. The road was closed last summer due to a severe slump near Lolo Creek Campground. A temporary, single lane bypass has been constructed to allow vehicle passage. Forest Service engineers are working on a more permanent solution prevent future slumps and landslides in this area. <i>Please use caution and slowdown while driving in this area.</i>

NOTE: All forest roads are mountain roads with potential hazards. Appropriate caution is required.
Single-lane in many places – backing up may be necessary. Watch for falling rocks and trees. At a minimum: carry water, a shovel and ax.
